Ken Gordon
Member Milestones: Patsy Lloyd celebrates her 7th anniversary in Rotary this week

Last week’s bulletin: Your editor wrote it – and then forgot to publish it. That’s why you’re getting two bulletins this week. Better late than never… time for a new editor!

June 17 Installation: Kevin’s Installation as our club president for 2014-2015 will be on June 17 at 6 pm in the Parish Hall at St. Michael’s Church. It’s potluck and BYOB (as in bring your own libation), in the best of Rotary’s spirit of Service Above Self. The money budgeted for the installation that would have gone to food and drink will be donated to a designated charity.

Bike Safety Day: Normally, an average of 60 helmets is given out at Bike Safety Day. Victor gave us the news that 120 helmets were fitted this year! Kids brought groceries for the food pantry as well as monetary contributions – two bags of groceries and $70 went toward stopping hunger in Bedford.

Pan Mass Kids Challenge: There’s a good number of volunteers signed up for the two shifts to help out this Saturday at the John Glenn Middle School, from 8:30-10:00 am and 10-noon. If you haven’t already signed up to help and want to, let Ralph know. Thanks go to Joe Sylva and Flatbread for contributing food and to all the volunteers!

Rep. Ken Gordon: State Representative Ken Gordon was pleased to present a citation from the Massachusetts House of Representatives to the club for our Stop Hunger Now/Meals for Haiti on April 7. The day of packaging sent 132,000 meals to Haiti and represented months of planning and fund-raising. Ken was proud of the club and the community for its tremendous effort in bringing this project to fruition. In the photo are the movers and shakers who made it happen: Margarita, Linda, Peter, and Devon along with Rep. Gordon.

Surprise: Susanna was fully prepared to do a presentation on The Rotary Foundation today (and there will be a brief, very brief, note on The Rotary Foundation in this bulletin), but she was interrupted by a complete and amazing change of direction to the best farewell ever conceived by alarmingly successful secret keepers, namely the entire club and her husband. This editor can report that Susanna remains nearly speechless ten hours later. She wishes to thank the planners, the conspirators, her husband who mined the family photographs, Victor for the hours spent putting together a fantastic and sometimes hilarious montage of slides, the card signers, cake and flower bringers, and the club for presenting her with a Paul Harris Fellow. Your bulletin editor was able to snag a brief interview with Susanna, but was only able to solicit the following quotes: “Yowza!” “Holy mackerel!” “O. M. G.”
The Rotary Foundation: What Susanna would have said is briefly summarized here: The Rotary Foundation serves its mission of advancing world understanding, good will and peace by focusing on six major areas:

- conflict resolution
- child and maternal health
- literacy
- disease prevention
- water and sanitation
- economic and community development.

The Bedford Club has participated in all six. The list of our participation is long and substantial, the most recent projects being Mali Health and the Stop Hunger Now/Meals for Haiti project, both of which received Rotary Foundation support.

And here’s the most amazing part of the financial picture: for all the many projects we have made happen, the club itself has spent $85,829. That’s a good chunk of change. The Rotary Foundation, through its system of matching grants, has contributed $381,783 to those same projects. That’s Big Bang for the Buck!

In Happy Dollars: Today it was Susanna dollars. Jessica took notes, and among the many things that blew Susanna’s mind today is the incredible neatness and clarity of Jessica’s recording. Could Jessica have demonstrated her way into a new job? And can your editor mention how weird and humbling it is to write these into the bulletin? As a matter of fact, she can’t. She’s going to treasure these notes and everything that everyone said. She may possibly frame them, not only for the contents but for the incredible example of succinct note taking that Jessica has demonstrated. She’d also like to say thank you, again. Totally brilliant, the whole thing.

above: Patsy Lloyd, guest Julie Turner, and Susanna react to some of the presentation, including a self-portrait at age 5 and a glam shot, age 9.
The Four Way Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
